LAZZARO HIGH PERFORMANCE PORCELAIN

A NEW STANDARD IN HOSPITALITY TABLEWARE

Lazzaro High Performance Porcelain sets a new standard in hospitality tableware. Crafted from alumina vitrified porcelain, each piece is spun and slow-fired for superior density and durability. With zero water absorption and alumina reinforcement, this range is built to withstand the demands of the most rigorous commercial environments, all whilst remaining significantly lighter compared to conventional porcelain options available in the market.

OUR 10.5” DINNER PLATE WEIGHS 550 GRAMS

THAT IS **40% LIGHTER** THAN OTHER PORCELAIN PLATES

Lazzaro High Performance Porcelain combines the resilience of alumina vitrified porcelain with a groundbreaking approach to lightweight engineering, designed for hospitality use.

Lazzaro High Performance Porcelain takes the weight out of service-literally.

Its lighter build reduces fatigue, speeds up turnaround, and eases pressure in high-demand kitchens. Designed to stack, carry, and clean with ease, it delivers uncompromising performance behind the scenes while looking flawless out front.

DuraEdge
LIFETIME
EDGE-CHIP
WARRANTY

THE DuraEdge® ADVANTAGE

Every plate across our High Performance Porcelain ranges features the proprietary **DuraEdge technology,** delivering unmatched edge strength through optimized design and backed by a **lifetime edge-chip warranty.**

Engineered Edge Profile
designed for superior strength and chip resistance.

DESIGNED TO IMPRESS. BUILT TO ENDURE.

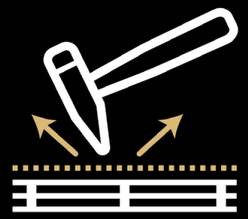

With refined design and lasting strength, Lazzaro High Performance Porcelain delivers beauty at the table and reliability in service.

GAIA

The GAIA Collection is available in three stunning hues — Earth, Sage, and Olive; each bringing a grounded, natural elegance to the table. With its fluid, organic shape, it creates a striking backdrop for Mediterranean cuisine, Asian dishes, sharing plates, and casual fine dining. Part of the Lazzaro High-Performance Porcelain range, it balances contemporary style with lasting resilience.
